C. IMPACT ON BUSINESSES:

- Numerous reports of businesses damaged or destroyed though out the state. Numbers pending at this time.
- Kroger, food safety specialist, plan of action is as follows:
 1. All perishable food coolers have been roped off and stores have been informed not to sell to public.
 2. No stores encountered structural damage, only loss of electricity.
 3. Dumpsters have been contracted to bring in for disposable of perishable foods.
 4. Security has been hired to guard dumpsters from theft or dumpster divers.
 5. Generators are being brought in to restore power so stores can open pharmacies and dry good areas.
- Publix Stores
 1. All stores in Alabama are open and did not suffer any structural damage
 2. They are not offering any fresh products at this time
 3. They have additional generators en route and plan on resuming full operations once power is restored

D. UTILITIES:

▪ POTABLE WATER SUPPLIES:

AL Rural Water Association EMC has been helping fill generator requests that have come in from communities throughout North Alabama. As requests for back-up power generators increases, we will have to depend more heavily on resources that are available from the ALNG and from the USACE. USACE personnel are now represented in the SEOC, generators are being staged at Maxwell AFB and assessment teams are now available to assist communities with their generator needs.

▪ ELECTRIC POWER:

AL Power

Total Customers: 1.487 mil

Peak Out: 412,299

Current Out: 202,000

Restoration Plan: Internal and external personnel working disaster issues in Alabama. Some customers will not have power until sometime next week.

Workers in the field: 6300

AL Rural Electric Coop

Total Customers: 542,402

Peak Out: 232,000

Current Out: 196,006 at last report (36.1% of their customers)

Restoration Plan: Internal and external personnel working disaster issues in Alabama. The loss of power to many AREA customers is directly related to the loss of TVA transmission lines.

Workers in the field: 930

AL Electric Cities

Majority of customers will be back on line in 4 to 5 days, however some customers will be without power for 7 to 10 days due to heavily damaged TVA towers and transmission lines. Some co-ops and municipal owned utilities are in good shape and waiting on power from TVA.

TVA

- Total Customers: 19 Retail Customers
- Peak Out: 475,000
- Current Out: 240,617
- Restoration Plan: Re-establish power generation and repair Transmission Lines.
- Workers in the field: 4,000
