Disaster Recovery Committee Meeting

Today's meeting was used as an organizational meeting to brief all the Disaster Recovery Committee Members with a Program Overview. The only actions were to call the meeting to order and to adjourn the meeting after the Program Overview. It was determined it was in the best interest of the entire committee to schedule another meeting in a few weeks and to take action on the items on the agenda at that time. We are working now to schedule the next meeting and will provide notice of this by posting on the Secretary of State's website.
